ICONS OF MOTORSPORTS

1x60' | Producer: N24 | In Production

Porsche - hardly any other car manufacturer has produced as many legendary sports cars as the German Manufacturer. Test driver Lars Kern drives six of the original models on the Porsche race track in Leipzig - and he shows what they are capable of in terms of acceleration and driving pleasure. At the racetrack, curves of world-famous racetracks were recreated. On the one hand a homage, on the other hand also a sporting advantage, because it can be used to test how new models behave in a wide variety of situations.

BANGED UP: MY STORY

4x60' | Producer: Middlechild | Quintus Original | In Production

What is life in prison really like? How does it feel to spend 23hrs a day locked in a cell? Or to have to share your meals with killers and rapists? In Banged Up: My Story, we hear first-hand from ex-convicts from some of the toughest prisons in the world. We sit down with them as they tell their very personal stories, and for the first time ask them the questions that audiences have always wanted to ask about what it is really like to be incarcerated.

COLD WAR SECRET STRUCTURES

4x60' | Producer: Maximus | Quintus Original | In Development

Bunkers, deeply hidden underground, military bases hermetically sealed off from the outside world, or hospitals built only for the elites and kept top secret. After the relaxation of glasnost and perestroika and the collapse of the Soviet Union, many of these facilities became worthless. They were no longer strategically important and abandoned...
