All content must be available in HD, and have fully cleared audio and visual rights along with English narration or dubs. Please ensure that at least US AVOD rights are available. Please highlight any Spanish, French or German dubbed versions, as well as the corresponding territories.

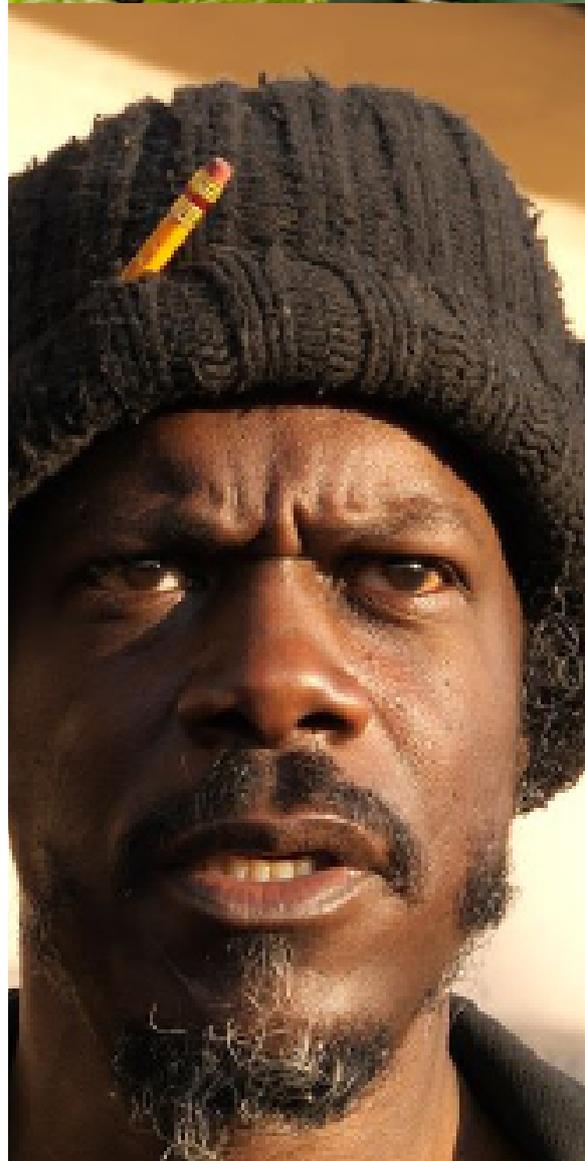

FREE DOCUMENTARY

ENGLISH, ESPAÑOL, FRANÇAIS AND DEUTSCH

- **Feature docs (90+ mins)**
 - **Long-form series and single docs (45-60 mins)**
 - **English, Spanish, German and/or French language**
1. Edgy community-focused stories from all over the world filmed on location.
 2. Dangerous and treacherous transportation and places. E.g. **Deadliest Roads**.
 3. Access-docs: prisons, overcrowded facilities, dangerous locations, criminal organizations and gangs. E.g. **Behind Bars, No-Go Zones**.
 4. Stories from extraordinary looking places E.g. **Somewhere on Earth**.
 5. The everyday struggle of people in remote and disadvantaged locations. E.g. **Most Dangerous Ways to School**.

ENDEVR

- **Feature docs (90+ mins)**
 - **Long-form content (45-60 mins)**
1. Investigative docs about corruption in politics, healthcare, food, media and big business.
 2. Extreme health & food cases.
 3. Access to vigilante communities across the globe.
 4. Access to isolated communities across the globe - people who try (as far as possible) to exist on the fringes of society. E.g. Amish, Mennonites, North Sentinel islanders, and travellers.
 5. Poverty in the USA: human-interest and community stories from the poorest and most dangerous places in America. We're particularly interested in stories that tell us how communities suffer as a result of political corruption or lack of state/governmental funding.

FD ENGINEERING

- **Long-form series and factual entertainment (45-60 mins)**
- **Mid-form (25+ mins) episodes which can be paired together**

1. Supersized constructions.
2. Huge machines and vehicles.
3. Inside factories.
4. Demolitions.
5. Technologies of the future.
6. How things work.

FD HISTORY

- **Feature docs (90+ mins)**
- **Long-form content (45-60 mins)**

1. World War II content, including the Asia-Pacific War and the Vietnam War, especially archive footage in colour.
2. Archive footage in colour from major cities (e.g. New York, San Francisco, Berlin, Paris, etc.).
3. Historical conspiracies (moon landing, Area 51, crop circles).
4. Ancient history & ancient engineering marvels.
5. War over the last 100 years.
6. History of North America (up to the 1980s).

FD NATURE / NATURE ESPAÑOL

- **Feature docs (90+ mins)**
- **Long-form content (45-60 mins)**

1. Blue-chip wildlife documentaries.
2. Underwater footage and documentaries.
3. Nature/National Parks.

FD CRIME

- **Feature docs (90+ mins)**
 - **Long-form series and single docs (45-60 mins)**
1. American true crime, dramatic shootout stories, CIA cases, forensic files (medical detectives).
 2. Nostalgic crime shows (popular in America).
 3. Controversial accidents (flight accidents, bridge collapses).
 4. International crime and prison videos.

TWISTED TALES

- **Feature docs (90+ mins)**
 - **Long-form series and single docs (45-60 mins)**
 - **Mid-form content (5-20 mins)**
1. True crime series where the focus of the narrative is on the killer or the victim.
 2. Documentaries about criminal organizations like the Yakuza, gangs like MS13 or cults like the Peoples Temple.

FD REAL

- **Long-form series and factual entertainment (45-60 mins)**
 - **Mid-form (25+ mins) episodes which can be paired together**
1. Customs & Immigration.
 2. Border control in the USA.
 3. Dangerous & physical jobs (like oil platform workers, ice truckers)- no sports, no fishing or hunting.
 4. Men & machines.

FD ADVENTURE

- **Long-form series and factual entertainment (45-60 mins)**
 - **Mid-form (25+ mins) episodes which can be paired together**
1. Real and raw survival in the wilderness → no reenactment E.g. **Dropped, The Trail, Sasquatch Mountain Man, Untamed.**
 2. Raw adventure with access to local communities-no travel or motorcycle shows.

SPACE

- **Feature docs (90+ mins)**
 - **Long-form series and feature docs (45-60 mins)**
1. Space missions: historical (Sputnik, Apollo) and contemporary (SpaceX, NASA, Artemis, private initiatives).
 2. Science: astronomy, planetary science, scientific impact on Earth.
 3. Humanity & technology: astronaut life, space ethics, rockets, satellites, robotics.
 4. Future & sociopolitics: colonization, space economy, global cooperation, space policy.

FD FINANCE

- **Feature docs (90+ mins)**
 - **Long-form content (45-60 mins)**
1. Rise and fall of companies.
 2. Economic fraud on a grand scale, corruption or lobbyists.
 3. Economic history or events.
 4. Insight into war, armies, or private military economy.

INVESTIGATE ASIA

- **Feature docs (90+ mins)**
 - **Long-form content (45-60 mins)**
1. Investigative docs which expose corruption within political, healthcare, food, media, and big business institutions across Asia. Economic fraud on a grand scale or lobbyists.
 2. Vigilante communities: gaining access to and understanding anti-establishment groups throughout Asia. Insight into war, armies, or private military economy.
 3. Poverty: human-interest and community narratives from the poorest and most dangerous places in Asia.
 4. Current affairs & conflict: covering pressing contemporary issues and ongoing conflicts.
 5. Confinement facilities: providing inside access and interviews within prisons, mental health/rehabilitation centers across Asia.
 6. Dangerous locations: on-the-ground exploration of hazardous communities in Asia with interview access to criminals and gangs.

SEED

- **Feature docs (90+ mins)**
- **Long-form content (45-60 mins)**

1. Environmental challenges.
2. Climate change.
3. Sustainability.
4. Contamination.

EXTRAORDINARY

- **Feature docs (90+ mins)**
- **Long-form content (45-60 mins)**

1. Celebrities.
2. Biographies.
3. Ordinary people achieving extraordinary feats.
4. Pop culture.

RELATOS PARA TI

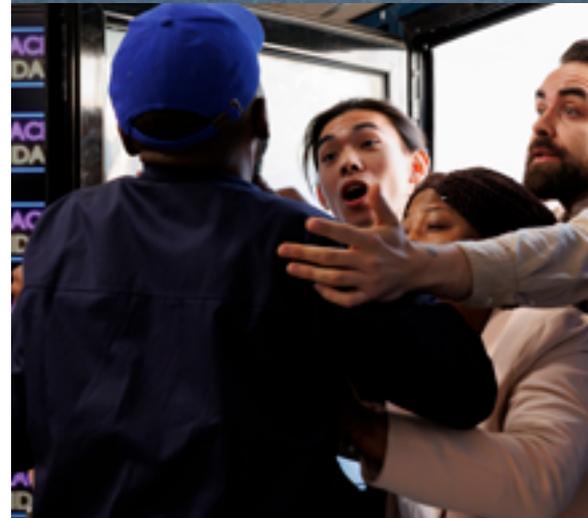

- **Long-form fiction, serialized content (45-60 mins)**
- **Spanish language**

1. Telenovelas.
2. Crime shows.
3. True story re-enactments.

COMEDY HITS

- **Feature docs (90+ mins)**
- **Long-form content (45-60 mins)**

1. Scripted comedy series.
2. Stand-up comedy.
3. Comedy series.
4. Prank comedy.
5. Comedy clip shows.

SNAP (Behind Bars, NGZ, TYNRB)

- **Feature docs (90+ mins)-Available with worldwide and editing rights**
- **Long-form content (45-60 mins)-Available with worldwide and editing rights**
- **Mid-form content (5-20 mins)**
- **Vertical content (5-15 mins)**

1. Prison, sex tourism, poverty and scams.
2. Stand-up comedy.
