

An underwater scene featuring a diver in a blue and yellow wetsuit, wearing a mask and carrying a large blue barrel on their back. The diver is positioned on the right side of the frame, crouching on a rocky seabed. A thick rope is attached to the barrel. The water is clear blue, and there are bubbles rising from the diver's equipment. The background shows a rocky underwater environment.

RED ZONES

4x60 | Producer: Frederick Gillingham | In Production

Red Zones takes viewers on a journey into the heart of the world's last remaining untamed frontiers. Despite the rapidly developing modern world, there are still fragile territories which defy development and continue to operate outside of law and order. However the prohibited practices and illicit economies that are fueling these hidden worlds are also destroying them and the people who habit them. Through intimate and unfiltered access, this series will meet the heroes, villains and victims who struggle to survive, protect and profit off the dark side of the map.

MISSION TO COLLISION

4x60' | Producer: Afrika Live Media | In Production

In this access led documentary series, we see how truckers transport the most perishable local products. Their speed, determination and high risk on the country's most dangerous roads has earned them the nickname 'The Flying Trucks'. The pilot episode follows drivers and characters on two routes in Kenya from Meru to Nairobi and from Meru to Lamu, large distances that require both speed and stamina.

ENTER AT YOUR OWN RISK

1x60' | Producer: Joel Ross | In Production

Enter At Your Own Risk is a captivating series that takes its audience to some of the world's most dangerous places, offering an intimate glimpse into the lives of those who call these places home. Each episode provides unparalleled access to the residents, unveiling their stories from within. Every year, countless tourists venture to far-flung exotic destinations spanning South Africa, Asia, and South America. These travellers temporarily escape their bustling lives to bask in the sun, surf, and booze, often oblivious to the danger lurking just a stone's throw away.

DANGEROUS JOURNEYS: TANZANIA

1x60' | Producer: Maximus Films | Production Year: 2023

Deep in the heart of Tanzania... lies the country's most dangerous road. Every day it is a risky race for trucks, buses and passenger cars, at any cost. Whether with trucks or fully loaded tankers, dangerous passing maneuvers are the rule, not the exception. Signs for "No Overtaking" - are understood from the young drivers as a recommendation and not as a regulation. The most dangerous section of the road, the Kitonga, is just eight kilometers long but the gradient is extreme and the abyss is deep ...

CRISIS IN COCAINE VALLEY

1x60' | Producer: Maximus Film | Broadcaster: Viaplay | Production year: 2022

Whether peasant families, couriers, mercenaries or drug lords - they have been living off one thing for decades: cocaine. In the Peruvian Andes, deep in the rainforest, is the „Cocaine Valley“ - the largest production site of the drug in the world. Every month, 200 laboratories produced several tons of the coveted drug. Then came Covid... with far-reaching consequences as cocaine has been threatened with extinction ever since.
